RE: Application of Carolina Water Service, Incorporated for Approval of a Contract with
Clover School District No. 2 of York County to Serve Property in Lake Wylie, South
Carolina **Docket No.: 2008-354-WS**

Dear Mr. Terreni:

The South Carolina Office of Regulatory Staff ("ORS") wishes to advise the Public Service Commission of South Carolina ("the Commission") that it has completed its review of the above matter. ORS does not oppose the application of Carolina Water Service, Incorporated ("CWS") for approval of a contract with Clover School District No. 2 of York County to serve property in Lake Wylie, South Carolina. According to the application, the school district plans to construct a middle school within CWS's Commission-approved service area in York County to serve approximately 1,167 staff and students having an estimated daily water and wastewater usage of 23,340 gallons. Pursuant to the application and contract, CWS will place into effect rates and charges approved by the Commission. If I may be of further assistance, please do not hesitate to contact me.

Sincerely,

Shannon B. Hudson
